Vivaldi Board

Perfect Wintering Board
With the ventilation and the ability to feed your hives during winter, the Vivaldi Board is a must have.

The included screened box:
- Offers the ability to use dry sugar or fondant as feed.
- Creates a barrier between colony and use of absorbent material (e.g. burlap, straw, newspaper)
Long Hive

The Long Hive is the perfect solution for those beekeepers who are tired of lifting 80 lb. hive bodies for hive inspection. Lift the lid and you assess your hive population at a glance.

- Uses standard Langstroth Frames.
- Includes divider board to slowly grow out a colony or divide hive and manage two colonies.
- Accommodates two 10-Frame boxes if you want to super your hive.
